

Holy Unto You  
Joel Chernoff

(Verse 1)

G                    D            Em                    C  
Lord I come to You,                    with a humble heart,  
G                    D                    Em                    C  
Seeking more of You, wanting less of me,    Wanting more of You,  
G                    D            Em                    C  
From my deepest parts,                    God of mercy hear,  
G                    D                    Em                    C    Csus C  
Comes an urgent prayer,    That my heart's desire is to You draw near.

(Chorus)

G            D            Em            C  
Holy unto You,    Holy unto You,  
G            D                    Em            C  
Hear this humble prayer,    And make me Holy unto You,  
G            D            Em            C  
Kadosh Kadosh L'cha,    Kadosh Kadosh L'cha,  
G            D                    Em            C            Csus C  
Hear this humble prayer,    Make me Kadosh Kadosh L'cha.

(Verse 2)

G                    D            Em                    C  
I give myself to You,                    on the altar lay,  
G                    D                    Em                    C  
Spirit come and fill, so that I can more, follow and obey.  
G                    D            Em                    C  
Let your Light more shine,                    On this wounded heart,  
G                    D                    Em                    C    Csus C  
Clean and purify, so that you can more,    Of your self impart.
